PROFESSIONAL SUMMARY

A passionate and detail-oriented full-stack developer skilled in building dynamic and responsive web applications. Proficient in both front-end and back-end technologies, with a strong understanding of software development principles. Eager to apply academic knowledge and project experience to solve real-world problems and contribute to innovative development projects.

EDUCATION

- **Bachelor of Technology in Computer Science and Engineering**   2022 – 2025
  Siddharth Institute of Engineering and Technology, Puttur   *CGPA: 8.9/10*

- **Diploma in Mechanical Engineering**   2019 – 2022
  Vasavi Polytechnic College, Banaganapalli   *CGPA: 9.0/10*

- **SSC**   2018 – 2019
  ZP High(Boys) School, Banaganapalli   *CGPA: 9.3/10*

SKILLS

- Programming: HTML5, CSS3, Java, JavaScript, SQL

- Frameworks: Collection Framework in Java, Spring Framework, Spring Boot, Hibernate

- Databases: MySQL

- Tools: Git, Eclipse, Intelij, Postman, GitHub

EXPERIENCE

- **Web and Full Stack Java Developer Intern**   Mar 2025 – Jun 2025
  Rooman technologies, Bengaluru
  - Completed a certified full-stack internship covering Core Java, MySQL, Advanced Java (JDBC, Servlets, JSP), and the Spring Framework (Core, MVC, ORM, Hibernate).%.
  - Built secure RESTful APIs with Spring Boot, JPA, and Spring Security, Collaborated in an Agile/Scrum environment using GitHub for version control and developed responsive UIs using HTML, CSS, JavaScript, and React.js

- **Java Developer Intern**   May 2024 – Jun 2024
  Coding Raja technologies, Hyderabad
  - Developed strong expertise in Java and OOP by building real-world projects during an internship, applying advanced programming concepts to create efficient, scalable solutions.%.
  - Improved problem-solving, debugging, and collaboration skills through team-based assignments, meeting tight deadlines with strong time management and attention to detail.

PROJECTS

- **Job Hub**   2025
  React.js, SpringBoot, MySQL
  - Developed a full-stack job portal application using React.js and Spring Boot, enabling real-time job search and application tracking for non-graduate job seekers in part-time and unskilled sectors. Implemented secure user authentication with JWT, advanced search filters, and a reporting system to prevent fake job postings, enhancing platform reliability and user trust. Integrated RESTful APIs and MySQL for scalable data management, and facilitated seamless communication between job seekers and employers through an in-app messaging module

- **Library Management System**   2024
  HTML5, CSS3, JavaScript, Advance Java, MySQL
  - Developed a Library Management System using HTML, CSS, Java, JDBC, Servlets, JSP, and MySQL with features like book browsing, user registration, and login validation. Ensured secure access, efficient data storage, and seamless workflows for new and existing users.

CERTIFICATIONS

- Application Developer Web Mobile - NCVET

- NPTEL Certified in Python(2024) and Java(2022)

- Java Certification issued by HackerRank

Achievements

- Secured a rank of 322 in ECET, showcasing strong analytical and problem-solving abilities.

Extra-Curricular Activities

- Tech blogging and open-source contributions

- Playing games and watching movies
